hello FALL

Neal's Book Reviews are based on books he's read recently and would recommend to children and teenagers. He rates them on a scale of 4 roses (the best) to 4 onions (the worst).

Jack Prelutsky is one of the best modern poets for children, especially when it comes to funny poems reminiscent of Shel Silverstein. Although this isn't Prelutsky's best, this collection contains a wide assortment of powers about food, school, animals, imaginary creatures, and other kid-friendly topics. With titles like "I'm Stuck To a Magnet" and "My Horse Is Floating in the Air," you know this is going to be crazy. But some of his earlier books are better. I rate this book 2 roses.

DEAR ED...

Dear Ed, How many pumpkins are grown each year?
Sydney Leber

Dear Sydney, the United States produces over 1.5 billion pounds of pumpkins. Illinois is the largest producer, but Michigan also grows a lot. Worldwide, China grows the most with over 18.5 billion pounds! Ed

Dear Ed, What candy is handed out the most to trick-or-treaters?
Alexa Feinstein

Dear Alexa, Reese's Peanut Butter Cups consistently ranks the highest, followed by M&M's and Snickers, but in Michigan Starburst and candy corn top the list. Ed

Dear Ed, Why is first session longer than second?
Rosie Barnett

Dear Rosie, Both sessions used to be four weeks, but since school years began to start earlier in many places, Walden shortened second session to three weeks. Ed

Dear Ed, Why are hammocks part of the athletics department?
Julia Zendel

Dear Julia, Ed asked Peggy, who said, "Good question." Maybe because after moving around so much in all the other athletics activities, campers need a place to rest. Ed

Dear Ed, Why are there two deer heads in the staff lounge?
Gavin Lilly

Dear Gavin, No one really knows. Our resident historian Gail said her cousin Fred told her they must have been there when the camp was originally purchased from Sleyzak. Ed

Dear Ed is short for "Dear Editor." If you have a question about camp, send it to Ed and watch to see if your answer appears in future issues.

FALL MYSTERIES: SOLVED!

Does Long Lake freeze over? Where does the Phantom live all winter? Who runs the Chipmunk Café when Neal leaves? Do the bells still ring after camp is over?

L to R: Performing Arts Director Robbie Mullin, Arts & Crafts Director Erika Miklovic, assistant camp directors James and Annie and Facilities Director Justin Guarino.

Our post-summer investigative team of Annie, Erika, Robbie, and James, descended on camp with these and other tough questions.

First, they interrogated Walden's head of maintenance, Justin, who was busy putting finishing touches on the new sand volleyball court in the Meadow. Under the threat of a new "No Gators" rule in 2026, Justin revealed that, yes, come late -December the lake would be all set for ice fishing (sadly, for James, we are unable to offer this activity during the summer months).

The remaining mysteries quickly unraveled when 1) the bells were discovered in the Maintenance Barn along with 2) a Phantom clue notifying all who inquire that the Phantom has headed to Florida for the winter to open a second location for the 3) Chipmunk Café, the Sunshine State's newest culinary landmark, Café du Munk.

5 QUESTIONS WITH HALO SALEEM-GORDON

How do you celebrate your birthday? By going to Round 1 [a video arcade], eating ice cream, and playing claw machine games.

Who's the funniest person you can think of? Me. I make myself laugh all the time.

Are you related to anyone famous? Not yet, but I plan to be. I either plan to be famous or I also have some really interesting siblings. They're gonna be famous one day.

What do you like to put on a hot dog? Barbecue sauce, sauerkraut and French fries.

What was one of the best things about camp last summer? Being able to teach all the campers and counselors how to make jewelry and learning how to make jewelry myself, because I've always made chains and bracelets but not earrings. That was a really cool experience.

PHANTOM = CONTEST =

A funny thing happened today. I went to Starbucks and they were serving corn-and-nut lattes. They said it was for all the chipmunks that dropped in after the Chipmunk Café closed for the season. I knew the Phantom had struck! Can you figure out who the Phantom is based on the clues below? It's someone well-known who was at camp last summer.

Phantom Clues:
Colonel
Animal care
Outdoor cooking
RV

Cut out the survey sheet in this Pond and include your guess—you don't need to give reasons—then mail the sheet to the address at the bottom. Three winners will be chosen at random and receive their prizes this summer at camp!

LETTERS FROM LAIKA →

Wherein Laika interviews other dogs about their camp experience. Today's interview: Cooper and Hudson

Laika: Thank you both for joining me. I'd like to talk about how you grew and matured this past summer and what you are looking forward to next summer. Who would like to start?

Cooper: Have you seen Hud's ball?

Laika: Ah, okay, Cooper, what do you find appealing about Hud's ball and how does your search for said ball affect your camp experience?

Cooper [to Hud]: Is there food at your place?

Laika: Let's move to Hud for a moment. Tell me about the friends you made this summer.

Hud: What time are we running into the lake?

Laika: Was that one of your favorite activities?

Hud: I'm going to go in one side of the house and out the other.

Cooper: I ate breakfast in three seconds.

Laika: Cooper, tell me about your favorite counselor and what makes them special.

Hud: I'm going to hide under the deck during 4B Dog Wash.

Cooper [to Laika]: What time is Hud running into the lake?

Hud [to Cooper]: If you run into the lake I will follow.

Cooper: If both of you run into the lake, I will bark and go bananas.

Laika: This has been a horrible interview. Any parting thoughts?

Cooper: Have you seen Hud's ball?

Hud: Yesterday we ran into the lake.
